## Monte

Monte is a civil parish in the municipality and a suburb of Funchal in the Portuguese archipelago of Madeira.

Monte is located a few kilometres east of Funchal.

Presently Monte can be accessed via the Funchal Cable Car.

The departing station is located at Parque Almirante Reis in downtown Funchal.

The length of the cable car line is 3,718 metres, the height difference is 560 metres and the journey time 15 minutes.

This enables visitors to be transported 2 kilometres downhill to

Livramento through the streets at fairly high speeds in large wicker baskets, conducted by two drivers wearing the traditional white uniform with straw boaters.

Location - Caminho de Ferro, Largo da Fonte

## Eagle Rock

**Difficulty:** 

**Location:** North-east of the island, between cities Faial and Porto da Cruz

**Duration:** 2 - 3 hours

**Price:** Transportation costs

**About:** Eagle rock is one of the most symbolic rocks of Madeira. Its viewpoints provide beautiful views over nearby cities.
